Dave McDougall is the counselor for Placer and Nevada counties. As a former resident of Truckee, Dave is familiar with the nuances of doing business in a "resort" type area. Dave has an extensive background in both the corporate and small business world. From 1970 to 1988 Dave worked for various Fortune 500 companies in middle to upper-level management positions. In 1988, Dave started his own business that eventually grew into a \$12 million, 120 employee, multi-location car rental company. For existing businesses, Dave brings a unique perspective based on his varied background and can assist in virtually any issue. Dave has a MBA from Rider University and has taught courses for Sierra College and the SBDC.
